**YONSEI UNIVERSITY**

Seoul, Korea

## ABOUT YONSEI UNIVERSITY

Being the oldest university in Korea, Yonsei University was first established in 1885 by Cristian missionaries. Our mission is to educate leaders who will contribute to humanity in the spirit of "truth and freedom". The 300,000 Yonsei alumni who take this calling to heart can be found manifesting this proud spirit from leadership positions around the world.

Yonsei's main campus is ensconced in a spacious, picturesque and natural setting located minutes away from the economic, political, and cultural centers of Seoul's metropolitan downtown. Yonsei has 3,500 eminent faculty members who are conducting cutting-edge research across all academic disciplines. There are 21 graduate schools, 22 colleges and 127 research institute/centers hosting a selective pool of students from around the world.

Yonsei is proud of its history and reputation as a leading institution of higher education and research in Asia.

## MESSAGE FROM THE VICE PRESIDENT FOR INTERNATIONAL AFFAIRS

The Yonsei International Summer School (YISS) opened its doors in 1985 and since then, YISS has become an integral part of campus life based on a unique blend of Korean and global cultures. YISS continues to grow and evolve, accommodating the needs of a rapidly changing student body and meeting the challenges of a fast-paced global society.

The 2017 program provides a dynamic education in a broad range of fields, from the arts, culture and humanities to science and technology. Furthermore, we offer cutting-edge classes in management and economics, global issues, history and social sciences.

This summer, we invite you to experience the legendary "Yonsei Spirit" and to join us for an unforgettable summer in the heart of Seoul. You will make life-long friends, build new networks, expand and deepen your academic and cultural horizons, and experience life in one of Asia's coolest, yet largely undiscovered metropolises of 10 million. Make Yonsei your summer home in 2017 and have the best summer of your undergraduate journey.

**Joongi Kim, J. D.**  
Vice President for International Affairs

**YONSEI,**  
*Leading the Way to the Future*

## YISS ADVANTAGES

### Leading Summer Program

Yonsei University has hosted one of the oldest and innovative international summer school programs in Korea since 1985.

### Global Partnerships

YISS is administered in partnership with the University of California. Each year, key faculty and over 200 students from the UC system take part in YISS.

### Qualified, Driven and Passionate Students

We have a selective admission procedure. Successful YISS candidates with excellent academic records can have a chance to apply for scholarship.

### Korea's Premier University

Yonsei University has consistently ranked as the top private university in Korea and is taking a leading role in globalizing higher education in Asia.  
\*Ranked 106th in the QS World University Rankings 2015

### Distinguished Faculty & Passionate Students

Leading professors and scholars from Yonsei and overseas institutions teach courses at YISS. Students who are selected on a competitive basis study at YISS.

### Global Alumni Network

Our YISS students and faculty come from all over the world. Be a part of the ever expanding global network of nearly 16,600 YISS alumni.

### Cultural Excursions & Special Activities

Students can experience Korean culture and participate in a variety of activities and events outside the classroom including field trips and cultural immersion programs.

### Internship Program

Internship Program offers qualified students the opportunity to acquire direct exposure to global companies located in Korea during the summer.

# What's Special in YISS

## INTERNSHIP OPPORTUNITIES

Korea Summer Internship Program offers YISS students direct exposure to global corporate settings in the heart of Seoul, Korea. Taking advantage of Yonsei University's vast alumni network and strong ties with business and educational partners, the program provides students with the opportunity to gain professional work experience and to build social networks in some of the world's leading companies and organizations.

## RESEARCH INTERNSHIP

This program is designed for highly qualified and motivated YISS students who are interested in research projects or advanced coursework. Through participating in projects of work as an intern in Research Institutes/ Centers at Yonsei University, students will gain enriched knowledge and hands-on experience in their respective field and interact with outstanding students from around the globe through this unique model for academic exchange.

Summer Internship program is only available for students who are registered to YISS. Students will earn 3 academic credits for participating in Summer Internship.

## ACADEMIC EXCELLENCE AND DIVERSITY OF CLASSES

YISS offers a wide-range of courses including the arts, culture, humanities, Asian and Korean studies, international politics and economics, global management, science and technology, and environmental studies. Leading experts and professors from Yonsei and worldwide institutes teach courses at YISS.

## 2016 YISS STATISTICS

**60** 40 overseas professors  
20 Yonsei professors

**100/7** 100 courses in  
7 different areas

**1500**
